Professional Summary

Dynamic & detail-oriented Front-End & WordPress Developer. Skilled in custom WordPress theme development, dynamic content integration (**ACF, PHP forms, Contact Form 7**), and front-end technologies including **React (TypeScript + Vite), Tailwind CSS, Bootstrap, Framer Motion**, and a bit of **GSAP animations**. Proficient in Figma and Adobe XD for UI design and prototyping. Committed to continuous learning, creativity, and delivering modern, user-focused web experiences in collaborative environments.

Work Experience

Econceptions

May 2025 – Present

Frontend & WordPress Developer

- Developed custom WordPress themes and converted static sites (HTML/CSS/JS) into dynamic, CMS-driven platforms.
- Implemented Advanced Custom Fields (ACF) to manage dynamic website content efficiently.
- Integrated custom PHP forms for job applications, ensuring submissions reach multiple departments (Developer, Team Lead, HR).
- Configured and optimized Contact Form 7 for smooth user communication and email notifications.
- Proficient in Front-End development using React (TypeScript + Vite) to build dashboards, landing pages, and multi-page websites using custom SCSS styling.
- Focusing on clean UI, fast performance, and minimal framework usage to ensure modern, responsive designs.
- Collaborated with cross-functional teams to ensure seamless integration of web designs and back-end functionalities.

Kohistan Builders & Developers

Nov 2024 – Apr 2025

Web Developer | UI/UX Designer

- Designed and developed mobile-first and responsive websites that cater to diverse user needs.
- Developed and implemented WordPress sites.
- Installed required plugins and additional coding to fit final design functionality requirements.
- Utilized tools like Figma, Framer, and Adobe XD for effective wireframing.
- Collaborated with teams to implement UI/UX best practices, improving overall user satisfaction.
- Ensured cross-browser compatibility and SEO optimized performance for various devices.

Techinn 360

Jan 2024 – June 2024
