OUR PROVIOUS PROJECTS

FILE RECORD MANAGEMENT SYSTEM FOR CDA

Our FRMS helped manage files, control access, track versions, and ensure compliance with regulations.

ERP HOSTING OF GOVT. OF AJK

ERP system enabled Government of AJK to streamline their operations, improve efficiency, and facilitate data-driven decision-making through a centralized platform that is helping them to manage various aspects of their business.

PUBLIC PARKS WEBSITE

Websites for Islamabad's iconic public parks, including Lake View Park and F9 Park. We bring these beloved green spaces to life in the digital realm, fostering greater connectivity and engagement within the community

CLIENTS TESTIMONIALS

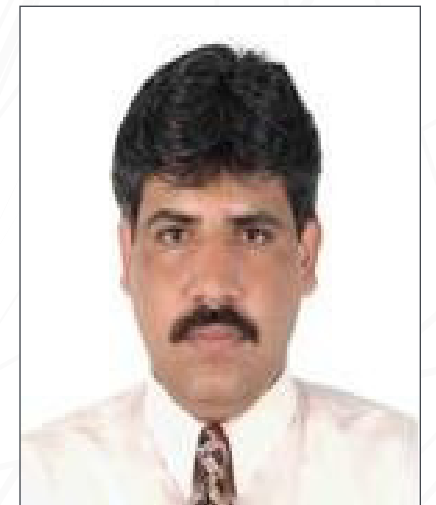

"The File Record Management System has revolutionized our data handling at the CDA. Its intuitive interface and robust security features have streamlined our workflows, saving time and ensuring accuracy. Accessing and updating records is now a breeze, enhancing our efficiency and effectiveness in fulfilling our mission."

NOUMAN KHALID
(Technology and Digitalization)
CDA

"The Creative IT Park team embraced challenges head-on, delivering the ERP project ahead of schedule and demonstrating remarkable adaptability to incorporate enhancements requested throughout its duration. Sincere appreciation to the Creative IT Park Team for their outstanding efforts!"

AHTASHAM SULTAN
System Administrator
Govt. of AJK

"The new public park websites crafted by Creative IT Park brilliantly showcase our parks, offering visitors easy access to essential information and enhancing their overall experience. Thanks to the team's expertise, our parks now have a dynamic online presence that fosters greater community engagement."
